

## **AWARD OF EXCELLENCE WINNER**

### ***Life is a Blank Canvas***

Life is a blank canvas upon which I paint my story.  
Every moment is a brush stroke,  
Expressing the values of the world around me.  
As I focus on the intricate details,  
I find myself living creatively in the moment.  
Dabbing my brush into the radiant colours,  
I continue striving for quality and authenticity,  
In capturing the essence of my impressions.  
My finished work will be vibrant and textured,  
With harmonious tones that flow across the canvas.  
Life is a masterpiece that exudes my passion.
